## Invitation to the 52<sup>nd</sup> EAGOSH Meeting on 13<sup>th</sup> – 14<sup>th</sup> November 2024 in Büttelborn

Ladies and Gentlemen,

as the EAGOSH chairperson I am pleased to invite you to the next EAGOSH Meeting starting on

**13<sup>th</sup> November 2024**

in the convention hotel "Haus Monika" in Büttelborn, which is located 60 km south of Frankfurt Airport ([www.haus-monika.de](http://www.haus-monika.de)). For your convenience, we have established a taxi transfer from FRA Airport to the hotel free of charge. Private transfers have to be paid by the client. Please refer to the enclosed agenda for further details.

Our group is dedicated to

- Streamlining occupational safety and health regulatory and accident prevention activities across the European aviation industry;
- Sharing best practices and experiences in our effort to foster safety awareness and minimize employee injuries and illnesses;
- Pursuing a policy of open exchange of information on accidents and incidents with emphasis on prevention and knowledge transfer;
- Improving equipment design and its operation with a view to occupational safety and health;
- Reducing the risk of damage to aircraft, support vehicles, equipment and facilities;
- Encouraging the design and adoption of effective safety training programs; and
- Assisting in a better mutual understanding of national and international safety regulatory schemes.

Besides the formal **presentations** you will find listed in the agenda a so-called **swap shop**. This will be your opportunity to share with us in a non-formal manner your questions, experiences, results of accident investigations etc. To add value to the discussion, every participant should be prepared to present a short swap shop item. Note that as a matter of principle, swap shop discussions will remain confidential and will not be recorded.

Please note that attendance in EAGOSH seminars may earn you education credits, as it is recognized by a number of European supervisory bodies as training for OSH specialists; see the attachment for details.

EAGOSH is open to new members. Therefore, if you cannot attend yourself, but know of somebody in the industry who should, please do not hesitate to forward this invitation to that person.
